

The following questions will be solved in class, as illustrations of techniques for database recovery..

1. Exercises 19.21–19.24 from the textbook.
2. Exercise 19.27 from the textbook.
3. Exercises 19.28–19.37 from the textbook.

Note: In the third edition of the textbook, these exercises are in Chapter 21, with the same numbers (*e.g.*, 19.28 becomes 21.28).
