## 5DV021 Principles of Database Systems Fall 2009 Class Exercises on Recovery

The following questions will be solved in class, as illustrations of techniques for database recovery..

- 1. Exercises 19.21–19.24 from the textbook.
- 2. Exercise 19.27 from the textbook.
- 3. Exercises 19.28–19.37 from the textbook.

Note: In the third edition of the textbook, these exercises are in Chapter 21, with the same numbers (*e.g.*, 19.28 becomes 21.28).
